I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNPROFOR FOR THE PERIOD 12 JANUARY 1992 TO 20 FEBRUARY 1993

A. Period from 12 January to 14 October 1992 (Additional)

1. By Security Council resolution 743 (1992) of 21 February 1992, the Security Council established the United Nations Protection Force (UNPROFOR) for an initial period of 12 months. By subsequent resolutions 758 (1992), 761 (1992), 762 (1992), 764 (1992), 769 (1992), 776 (1992), 779 (1992), 781 (1992), 786 (1992), 787 (1992) and 795 (1992), the Council enlarged the mandate of the Force. By resolution 47/210 of 22 December 1992, the General Assembly decided "to appropriate to the Special Account referred to in General Assembly resolution 46/233 an amount of 10,000,000 United States dollars authorized with the concurrence of the Advisory Committee under the terms of General Assembly resolution 46/187 of 20 December 1991, for the period from 12 January to 14 October 1992".

2. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.C. below, and is shown in section IV below.

B. Period from 15 October 1992 to 20 February 1993

3. Under the terms of its resolution 47/210 of 22 December 1992, the General Assembly decided also "to appropriate to the Special Account an amount of 290,049,500 dollars gross (288,313,900 dollars net), inclusive of the amount of 10,000,000 dollars authorized with the prior concurrence of the Advisory Committee, for the operation of the United Nations Protection Force for the period from 15 October 1992 to 20 February 1993, inclusive". It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $1,735,600 for the period from 15 October 1992 to 20 February 1993 approved for the United Nations Protection Force.

4. These amounts have now been apportioned among Member States for the period from 15 October 1992 to 20 February 1993 and are shown in section V below. The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolutions 46/198 of 20 December 1991 and 47/218 of 23 December 1992.

C. Apportionment of the costs of peace-keeping operations

5. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The

resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

6. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

7. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

8. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNPROFOR. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 46 new Member States, including 13 new Member States in 1992, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 of 20 December 1991 and 47/218 of 23 December 1992. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991 and adjusted in accordance with General Assembly decision 47/456 of 23 December 1992.
